

ProVen Legacy Factsheet

This factsheet is intended for informational purposes only and is not to be relied upon by retail investors.

Established in 2017, ProVen Legacy aims, over the medium-term, to generate a return through providing loans to small and medium-sized businesses.

The common feature of these loans is that they are backed by fixed or current assets used in the business, or the business will have predictable revenue streams. Its lending activities are managed by Beringea, an award-winning venture capital firm with more than \$840m under management across its funds in the U.K. and the U.S.

At 31 December 2022, the Company had advanced twelve loans totalling £8.4m. Of these, a total of £5.8m have been fully repaid. Of the remaining loans, the total balance outstanding amounted to £2.0m.

About Beringea

In the UK, Beringea has a track record of more than two decades of investing in private companies, as the manager of the ProVen Venture Capital Trusts (VCTs).

The ProVen VCTs currently manage more than £320m in funds with investments in more than 52 unquoted companies. In 2019, Beringea was recognised as VCT Manager of the Year at Investor Allstars, an awards programme for the European venture capital industry.

Example loan

ProVen Legacy provided a £500,000 facility to Cryotanks Limited - a supplier of industrial gases and cryogenic gas tanks.

This loan is secured against the assets of the company, who will use the funding to expand the development of their business and their customer offering.

Recent News

In the three-month period from 30 September 2022 to 31 December 2022, ProVen Legacy entered into new loans totalling £450,000. Despite the macroeconomic volatility, all loans are performing well with all payments due having been received on time.
